Technician Paramedic

Job Status	Casual
Competition #	AH-16-040
Position Start	To be determined
Union	MGEU (West)/MAHCP (East)
Shift	Days/Nights/Weekends – 12 Hours
Location	Regional Ambulance Stations
Closing Date	May 24, 2016

The Paramedic is responsible for the provision of high quality pre-hospital emergency, and inter-facility client care. He or she functions in a team environment, and performs initial and ongoing client assessments, identifies required interventions, and initiates treatment as indicated. The Paramedic communicates effectively, both verbally, and in the form of required documentation, with the client, family, peers and other health care team members regarding client care. The Paramedic functions as a member of the health care team, and as directed, will provide assistance within the various regional facilities and programs; also functions in a driver role, and is responsible for the safe and efficient operation of regional ambulances. The Paramedic networks with various other emergency response and community agencies.
