

Shock Trauma Air Rescue Society (STARS) is a charitable, not-for-profit organization generously supported by government, corporate and individual donors. Our 24/7 emergency helicopter air ambulance service provides time, hope and life-saving transport to critically ill and injured patients. Recognized as leaders in critical care medicine, our team of professionals excel in patient care, rapid transport, emergency medical training and education.

STARS is proud to have flown more than 27,000 missions since 1985. The entire STARS team is dedicated to delivering our long-standing vision of saving lives through partnership, innovation and leadership. Partnering with community services, STARS continues to deliver exceptional emergency care and transport from six bases across Alberta, Saskatchewan and Manitoba, including Calgary, Edmonton, Grande Prairie, Regina, Saskatoon and Winnipeg.

### **Air Medical Crew – Paramedic – Winnipeg Base**

The Registered Paramedic reports to the Clinical Operations Manager and works with a team of highly skilled medical providers specializing in the care of critically ill and injured patients. The Registered Paramedic works with a Registered Nurse, supplemented with the presence of a Transport Physician either in person or on-line, to provide high quality care and service, which includes rapid response assessment, intervention, and safe transport of critically ill or injured patients of all ages from the scene of an accident or during inter-facility transfer. This service is provided twenty-four (24) hours a day, seven (7) days per week.

You have a minimum of three to five (3-5) years of experience working in a critical care or advanced life support environment. You are a certified Advanced Care Paramedic or a graduate from a level 3 CMA Accredited Paramedic Program. You are currently licensed and practicing in the Province of Manitoba and have a valid CPR certificate. You have current STARS Advanced Skills Institute (ASI) certifications and your quarterly requirements are in good standing (for internal applicants) or you have equivalent certifications including ACLS, ITLS, and PALS. Instructor status or graduate of the STARS Critical Care and Transport Medicine Academy is considered an asset to your career. Additional requirements are basic to intermediate computer skills in Microsoft Office applications supplemented by the ability to utilize databases. You should live in the Winnipeg area or be willing to relocate.

We offer a competitive salary based on education and experience, as well as an excellent organization-paid benefit package with a matched RRSP program. More importantly, you will be a key member of the STARS organization and a link in our ability to execute our mission of saving lives safely within the chain of survival.

To explore this opportunity further, please submit your resume to: [resumesmb@stars.ca](mailto:resumesmb@stars.ca). Close date: March 6, 2015.

*While we thank everyone for their interest, we are only able to contact applicants selected for an interview. You are encouraged to watch for future opportunities by checking [www.stars.ca](http://www.stars.ca)*
